Sub Indian Railways Centenary Exhibition Trains

The Ministry of Railways (Railway Board) are sending out two Centenary Exhibition Special Trains, one on the Broad Gauge and the other on the Metre Gauge, to visit important centres in the country. In addition to the coaches containing railway exhibits, the Trains will also have 4 vehicles containing exhibits relating to the Five Year Plan. The local railway administrations and the Planning Commission have, as understood, already advised the authorities concerned in your areas about the probable dates of the visits of these trains.

The tour of the trains is as follows -

Broad Gauge - The Train will visit stations on the Central Railway and [illegible] Western Railway and Southern Railway.

Metre Gauge - This train will commence its tour of stations on the metre gauge section of the Northern Railway and thereafter stations on the Western Railway [illegible] will travel on the Northern, Eastern and [illegible] on return will be [illegible] for its tour on the Southern Railways.

/Central and /Southern

The object of the Exhibition trains is educative and is designed to disseminate as much as possible about the Five Year Plan and about the growth and progress of Indian Railways. Admission to the trains will be by tickets of a small value, i.e., annas -/4/- per adult and annas -/2/- per child, except at the bigger stations where a uniform rate of annas -/4/- is charged. It will be very greatly appreciated if instructions are issued to the District Authorities and [illegible] control to exempt the trains from the payment of entertainment Tax. A [illegible] run from March 7th to May 1st and the [illegible] State Authorities exempted Exhibition Authorities (Railway Board) from the payment of entertainment tax.

FINANCE DEPARTMENT 10 AUG 1953 SECRETARIAT

The Chief Secretary,
Government of Mysore,
Bangalore

Dear Sir,

Sub: Indian Railways Centenary Exhibition Trains -
Request for exemption of Amusement Tax

I enclose a copy of Ministry of Railways (Railway Board) letter No Econ 52/Cent/Fxbn/Spl dated 10th July 1953 addressed to the Chief Secretary, Parts A, B and C States I presume that you are already in receipt of this letter Perhaps, the State Government are already considering the request made by the Ministry to exempt ~~fx~~ them from the payment of entertainment tax

2 The Broad Gauge Exhibition Train commences its tour on the Southern Railway about the last week of November 1953 and will be on tour at a number of important stations The Metre Gauge Fxhibition Train will also be commencing the run on the Southern Railway about the same time Tentative itineraries for both the trains are enclosed A copy of the finalised programme will be sent to you as soon as the matter is settled in the course of next month

3 The State Government will doubtless like to take this opportunity to organise, at stations situated within their jurisdiction, shows depicting their progress and achievements towards National reconstruction and self-sufficiency under the Five Year Plan during the period the Exhibition Trains halt at such stations

4 A separate communication detailing the arrangement made by the Railway at different stations will follow

5 Meanwhile, it is hoped that the State Government will be pleased to consider the request made by the Ministry to exempt them from the payment of the entertainment tax and communicate their decision to the Ministry of Railways at an early date It will be much appreciated if I am also informed of the decision reached, in this connection, very early

Yours faithfully,

for General Manager
